## It was 50 years ago today that The Beatles hit the USA

IRVINE, CA:

**MenAlive, the Orange County Gay Men's Chorus, salutes the Fab Four.**

Since their American debut on the Ed Sullivan Show in 1964, The Beatles have never gone out of style! The Fab Four built a reputation as the greatest rock band of all time.

MenAlive pays tribute to The Beatles' timeless songbook in *The Beatles* at the beautiful Irvine Barclay Theater.

The 120-man chorus will perform songs ranging all across the Beatle universe, from the frenetically energetic I Want to Hold Your Hand to the poignant Eleanor Rigby to tender ballads such as I Will.

*The Beatles* will be performed on stage for two hard days' nights, Friday and Saturday, March 28 and 29 at 8 pm, and one hard day's matinee, Saturday, March 29 at 3 pm.

A 501(c)(3) nonprofit, MenAlive's mission is "Through music, men's voices unite as a vehicle to entertain, educate, bring healing, joy, community and build bridges to the public at large." Since its founding in 2001, the group has grown from about 30 members to be one of Orange County's largest and most respected choruses, and is an integral part of the southern California arts scene. MenAlive performed the highly successful *A Winter Spectacular* last season with the legendary Liza Minnelli at the Segerstrom Center for the Arts in Costa Mesa, and has presented the music of Madonna and Walt Disney's *Snow White* in previous shows.

Please see the contact information at the top for more information about this and other MenAlive performances.
